Letter from the 2016 Farmlands Chair

FARMLANDS Saturday May 7th, 2016.... Call for Volunteers!

Dear Friends and Members,

Your Central Jersey Bicycle Club's "Farmlands" invitational event has been a popular tri-state tradition for over 30 years and is the first major bicycle event of the season. The event takes place at Brookdale Community College in Lincroft, NJ on the first Saturday in May.

It is THE MAJOR FUNDRAISER for our bicycle club and we'd like everyone's help to continue to make it a success.

Again this year we are proud to announce that we have partnered with the Monmouth County Chapter of Habitat for Humanity, CJBC will be donating part of the net profits from the event to Habitat for Humanity and they, in turn, will support the event by providing their own volunteers.

We have some former sponsors & will be adding others soon.

- 1) Gu: Pure Performance Energy Product*
- 2) RoadID: Supporting Athletic Safety*
- 3) Stone Mountain Printing*
- 4) Monogram Center*

*We need this income in order to cover internet expenses, insurance and yearly charitable donations. It can also benefit you in terms of participating in the New Member Appreciation ride, the Tom Koenig Memorial Anniversary ride, Shortest Day ride, Longest Day Ride, Holiday dinner, member awards dinner, and other social events in which a meal is include. **It can only happen with your help, dedication, and effort.** Every year we need over 75 volunteers for:*

Painting: where you drive the routes and paint arrows by the turns. Route sheets, stencil and paint provided. 3 crews of 3 people needed.

Volunteer Coordinator: where you recruit and coordinate the responsibilities for the 75 people who make this event happen.

Food Chair: where you manage all the shopping and distribution of food, beverages and other supplies for the rest stops, including the college, prior to the ride. This also includes organizing the dinner after Farmlands for all day of volunteers, and ordering lunches for paid riders and volunteers who are there the day of the ride.

Day of Ride Food Attendant: where you make sure the bicyclists have snacks, bagels, fruit, trail mix, beverages, etc. ready to be self served. Food attendants needed for 2-6 hour shifts, between 6:30 AM and 6:00 PM.

Pre-registration Coordinator: where you collect Active.com registration information and coordinate lunches with the Food Chair. 1 person needed.

Day of Event Questions or Go To Person: where you address any issues that may arise on the day of the event; such as questions from riders, T-shirt sales, etc.

Parking Assistant: to guide arriving cyclists to the proper the parking lots and ease their arrival at the event. 2-4 People needed.

Rest stop workers: where you greet the bicyclists with snacks and refreshments. The time schedules are flexible. Different locations are available. Most people needed here. 3 people per shift, per stop.

Registration: where you greet the bicyclists in the morning and check them in. Time schedule is from 6:00 AM to 12:00 PM.

Sags: where you attend the bicyclist's needs, whether it is a flat tire, or they are simply tired and need to be picked up. For this task you will need a car with a rack that can carry two or more bicycles. Time schedules are from 7:00 am to 6:00 pm. Individual shift times vary. 3 shifts of 3 people.

Logistics: where you rent and drive a U-Haul type truck. This task starts 1 day prior to the event and continues through the day after. It entails the pickup of food and supplies and their delivery to rest stops and to the start/finish of the event, returning our supplies to the storage shed, and then returning the truck on Sunday. 2 -4 people are needed on the day of the event to help with loading and unloading of supplies.

Clean up: where we load the items on the truck to be returned to the storage shed. Time schedule 4:00 PM to 6:00 PM. All hands on deck.

Public Relations: where you help publicize the event. A greater turnout benefits the club and its members.

Please come out and join us in this fun event knowing your efforts will not only help your club but also will be supporting a great cause like the Habitat for Humanity.

If you volunteer on the day of the event, CJBC will treat you to coffee, breakfast items, and lunch at the college, as well as a free event T-shirt, The volunteers at the rest stops will be reimbursed for their own purchased lunches. You will also be invited to the volunteer dinner at a later date. A volunteer is welcome to ride in the Farmlands event free of charge before or after their 4 hour shift.

“Farmlands” is a fun, social event where you can make new cycling friends while helping the club, and supporting a charitable cause. **If you are interested in volunteering or want to get more information, please contact John Colasanti farmlands@cjbc.org.** Phone number provided in response to your email. Thank you. See you at the college and on the road.

RIDEforthe**REPUBLIC**

Join us this year for the Democracy Spring!

From April 11-16th, thousands will gather in our nation's capitol for a Week of Action. Together we will put an end to the corrupting influence of big money in politics and restore democracy to America.

www.democracyspring.org

Ride with Us!

On April 4th, we will set out from NYC to join our fellow citizens in Washington DC, arriving 5 days and 264 miles later. Now is the time. Stand up for future generations.

Supreme Court Justice Louis Brandeis,
"You can have large amounts of money concentrated in the hands of a very few, or you can have democracy. You cannot have both."

Spring is coming, and the **Franklin Food Bank's Annual Tour de Franklin** is **April 24, 2016**. Come join us for a day of cycling, walking, and fun to fight local hunger. This year we will be at the Franklin High School for a little more space. The routes will be different because of the new location, but the day still includes 62-mile, 40-mile, 25-mile, and 10-mile bike rides, as well as a 1-5 mile neighborhood ride or walk and 1-10 mile rides and walks along the scenic D&R Canal path. There is a **free bike drawing**, lunch for all attendees, and everyone who registers prior to April 1 is guaranteed a t-shirt.

Become a **Silver Rider** by raising \$150.00 or a **Gold Rider** by raising \$300.00 for this year's Tour de Franklin. All Silver and Gold Riders will receive a special t-shirt as a sign of our appreciation for their fundraising efforts. The registration fee is included in the total amount to reach this level, so it's not that much more, but means so much to the Food Bank and the people we serve.

Thank you for your support in previous Tour de Franklins, and for making it the Food Bank's biggest fundraiser of the year. Unfortunately, hunger still persists. In 2015 the Food Bank provided nearly 12,000 food packages, a 9% increase over 2014. We couldn't do it without your help and events like the Tour de Franklin.

For details and to register, go to [Tour de Franklin](#) - Pre-registrants can avoid event-day lines. We are using **new registration software** this year and we think you'll find the process much simpler than in previous years! Like us on [Facebook](#) to get all the latest developments.

We hope to see you there!

"While this is a recreational tour, it does include some hills and the length is a substantial distance that may not be appropriate for very new riders or young children. The police cannot hold the traffic back indefinitely so cyclists need to maintain an average pace of at least 8-10 miles per hour in order to complete the tour in the allotted time. Young children, ages 8 or younger, must be on a tandem bike or on a third-wheel attachment with an adult. All riders should carry a spare inner tube in case of a flat. Ride Marshalls with tools will be available to help change a flat at one of the rest stops.

WomanTours is looking for women who may have suffered a loss, overcome an obstacle, or are in desperate need of a respite, and who would not otherwise be able to afford a WomanTours trip.

We have an angel who has made a substantial donation to help us keep "doing what we do." We know how rejuvenating our bicycle tours can be, so we want to use this generous donation to pay it forward.

The fortunate women will receive a free trip to our leisurely and flat Massachusetts Island Hopper: Nantucket and Martha's Vineyard tour on **June 10 – 14, 2016**, including up to \$1000 in travel expenses to the tour. The trip is non-transferable and has no cash value.

To apply, fill out this form by December 25, 2015: www.womantours.com/wtangelfund.html

You can nominate yourself or someone you know!!

The WomanTours office staff and our angel will review the responses and choose up to four lucky winners and announce them on New Year's Eve.

THE ANNUAL FRENCH CREEK IRON TOUR CYCLING FOR OPEN SPACE

Sunday, June 12, 2016

Join over 1,400 riders for scenic cycling through northern Chester County and celebrate the 300th anniversary of the iron and steel industry which started in Pennsylvania. No region in the nation can boast a longer history with, and connection to, the iron and steel industry. This part of America literally forged the nation. The [French and Pickering Creeks Conservation Trust](#) preserves open space where iron blast furnaces and forges served as cornerstones of industry in colonial Pennsylvania – hence “Iron Tour.”

When you ride in the French Creek Iron Tour, you have a direct impact on the preservation of the pristine countryside that surrounds you. Since 1967, the [French and Pickering Creeks Conservation Trust](#) has protected nearly 12,000 acres of open space in northern Chester County.

With courses ranging from 11 to 100 miles, there’s something for everyone – from seasoned riders looking for a challenge to families with kids in tow.

Registration will close at 1800 riders or at 5 p.m., June 9, whichever comes first. There will be no day-of-event registration. Registration is non-refundable, and the ride takes place rain or shine.

BTCNJ's (Bicycle Touring Club of North Jersey) Annual Ramapo Rally is the premier club-sponsored bicycling event in northern New Jersey. In 2014, about 1,400 riders and volunteers participated in our annual signature event.

The Rally starts and finishes at the Campgaw Mountain Reservation in Mahwah, NJ, a beautiful part of the Bergen County parks system.

Our six routes range from one of the most challenging (hilliest and longest) routes of any area club rally of 125 miles, all the way down to a 12-mile route suitable for families and novice riders – and everything in between. Well-stocked rest stops along the way offer nourishment, sanitary facilities, and even mechanical support. Roving SAG wagons provide help to riders with problems. At the end of the ride, participants return to the start site for a hot/grilled lunch, massage, and the opportunity to browse and shop the Rally Marketplace for cycling-related merchandise and information from our sponsors.

A significant portion of the proceeds from the Rally is given back to the community, supporting the local community charities and volunteer organizations.

Hi Central Jersey Bike Friday Club,

I'm a BF rider, have been for 14 years. I lead multi day trips on the Indonesian islands of Sulawesi, Bali and Flores. Be thankful if you could pass this on to your members. Colin Freestone

CYCLE INDONESIA

Beginning 2009 we have led 18 trips on the Indonesian islands of Sulawesi, Bali and Flores. We provide riders with an authentic intercultural experience in the areas we cycle through covering food, language and customs. Our routes are on quiet country roads and we stop often enough to try local fruits and delicacies, to yarn with locals or to cool off under waterfalls. Accommodation is 'best available' which usually means, at the very least, AC, hot water and sit down toilets. The reality is a wide range from luxurious beach resorts to rustic village family guest houses. The groups are led by an Indonesian speaking Australian guide assisted by English speaking Indonesian drivers in support vehicles. Riders go at their own pace and can jump on a van at any time.
